DANCE ACADEMY

WELCOME BACK!

A Google Classroom has been created for Dance Academy, and an invitation link has already been sent out. Please take a moment to explore the classroom with your child to review the dances and choreography. Students must log in using their school Google account to access the content and share it with you.

If you haven't received the link or need it resent, feel free to contact:

As you may know, the recent teacher strike has affected our dance lesson schedule. To ensure students receive the full experience, we will be working with our dance instructors by adding some additional classes on Thursdays and extending dance lessons, this will be throughout the year.

Thank you for your understanding and support.
