

# ST. MATTHEW DANCE ACADEMY

As you may know, the teacher strike in the fall has affected our dance lesson schedule. We will be working with our dance instructors by adding some additional classes on Thursdays and extending dance lessons. Emails are being sent out as classes are planned throughout the year. Also, we have changed our Christmas Concert to January 22. This will be in the morning, more details will come.

If you know your child will be missing a performance, please let us know ASAP, so we can plan accordingly.

**Reminder:** A Google Classroom has been created for Dance Academy. Students must log in using their school Google account to access the content and share it with you. If you haven't received the link or need it resent, feel free to contact:
